Chairman Johnson opened the budget work session at 4:05 PM.

Work continued on the 2016 budget. Selectman Becker advised bringing the budget back to 2014 spending levels to keep the tax rate down based projected increases in the school and county portions of the tax bill. He presented a list of proposed 5% spending cuts for each department to be considered. The Board and staff went through each item in the budget and identified areas to cut. Department Heads will be contacted to review their individual budgets and propose cuts.
